

Transition diagram of Ur-Form

See (6-1)Dimension4 for Bio-Mokoro and Matter-Mokoro of Mitsugo D4

- Mathematical structure produced by UrForm
- 1, Potential automorphic form
 - 2, Potential unitary structure
 - 3, Generate complex numbers
 - 4, Generation of Atom as Prototype

- Life shaping produced by UrForm
- 1, Creation of information thermodynamic Entropy
 - 2, Bio-Tokoro Prototype System
 - 3, Kura-Mitsuha gene generation
 - 4, Formation of Mitsugo Life evolution theory
