 Axiom K-7 Futomani
 Axiom K-8 Yata

"Arakamichi" is Renaissance of modern Science

Postulate 0-1 Arakamichi

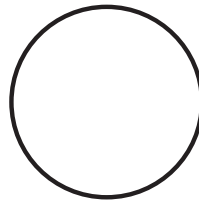

- 0-1-1 Field With One Element
- 0-1-2 Motogata
- 0-1-3 Indicate self-study method
- 0-1-4 Apply Kamu Number theory for Life

Axiom A-1 Yata
 Axiom A-2 Soko Sogi
 Axiom A-3 Toyo
 Axiom A-4 Tabane " ζ -function"
 Axiom A-5 Matomari
 Axiom A-6 Imatachi
 Axiom A-7 Oho "forgetful functor"
 Axiom A-8 Kamunakanemichi

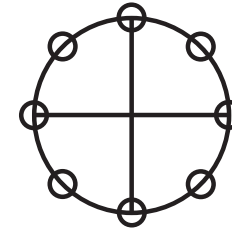

Futomani

1. Application of "Tabane"
 "Tamukahima = Casimir effect"
2. Application of "Mitorokaesi"
 to "Super Material" Production
3. Application to direct power generation
 by "Gravity & Tsugahi"
4. Application of "Amahayami" for
 Universal simultaneous
 - communication technology
5. Application of "Nanayo Dimension system"
 as Predictive theory
6. Apply "Amahayami" to
 "information-to-energy conversion"
 (others)

Mikumari

1. Apply for self-Medical care
2. Apply for Mineralogy
3. Apply for Agriculture
4. Apply for Architect
5. Apply for Clothing
6. Apply for Iron making
7. Apply for Business
8. Application to direct Power generation
9. Application to Pollution problems
10. Application to global Warming
 (others)

Katakamuna

1. Kamu Number system
 & Decimal system & Complex Number
2. Language system
 & Galois Field Programming language
3. Character system of
 Characterization of basic abstract Voice
4. Bio-Atomic Life system
 & Bio-Chemical Life system
5. Entoropy system
 & Ur-Information system
 & Information Thermodynamics
6. Dimension system
7. Elementary charge Quantum system
